

MAD CITY

Money

Teens get a taste of the adult world with this fun, hands on budget simulation complete with jobs, income, family and debt. During this 2.5 hour challenge, youth visit merchants to select housing, transportation, food, household necessities, clothing, daycare and other wants and needs while building a budget for their simulated family. Mad City Money allows participants to make mistakes - and suffer the consequences of their decisions - in a realistic, but safe, environment. Participate in this **FREE** program sponsored by Michigan State University Extension.
