

TURNER TOWN

is returning to Livonia's
Bennett Civic Center Library

Starting October 25, 2018

The Turner Town Project, a large collection of dollhouses, is a self-teaching awareness campaign for Turner Syndrome and Nonverbal Learning Disabilities.

Educational fun for all ages! Three new additions to the Town include the Thanksgiving House, Medical Camp and Cider Mill. The exhibit and informational posters will be displayed in the children's area.

Come see Turner Town today!

Jennifer Wakenell, Turner Town Director
