

SAVE A LIFE

FREE DRIVE UP NARCAN TRAINING

Please join the Alliance of Coalitions for Healthy Communities, Clarence E Phillips Ascend T.R.U.T.H Youth Coalition and Welcome Missionary Baptist Church as we conduct a drive up/through community Narcan training.

We are meeting our communities right where they are by providing this unique training opportunity.

Unique individualized training on the proper administration of the Intra-nasal Narcan overdose reversal drug will be taught for all who drive up to this event.

You must be at least 14 years of age to receive a Save A Life kit which includes 2 doses of 4mg Nasal Narcan.

There will be a short survey that each person will need to fill out in order to receive the Narcan during this event.

The Alliance is proud to partner with:
